## Cubicle Curtains

Sereneview® cubicle curtains bring calming natural vistas to the bedside. Research shows that views of natural beauty lower blood pressure, heart rate, anxiety, and pain medication. Our award-winning curtains can be customized to your existing décor. Send us a paint swatch and we will match your color scheme, or select from Sereneview's palette, patterns and Image Library of panoramic landscapes to create a patient-centered environment.

Visit [www.sereneview.com](http://www.sereneview.com) and click on Products to view our collection of nature patterns and Image Library from renowned photographer Ernesto Rodriguez. Our new Armor Protection is a fluid repellent application that eliminates laundering while repelling bacteria and stains. Just wipe clean, its that easy. We also offer snaps and zippers for quick easy curtain change-out. With zippers, you can change a curtain in one-minute or less without a ladder.
