## 65 SERIES BARIATRIC RECLINER

The Ascent XL Bariatric Recliner is ruggedly built like our classic recliners, with added style and elegance. Gently contoured lines enhance its profile while comforting patients up to 500 lbs. Standard swing-arms provide easy cleaning, maintenance and patient transfer. Four-inch, twin wheel casters are corrosion resistant and roll with ease.

Suitable for Oncology, Surgery, Infusion, Dialysis Therapies, Orthopedics, Paediatrics, and more.

Purchase the Ascent XL patient chair through Midmed today for an easily transportable, well-designed recliner that always puts comfort first. Available with manual and power options in a wide range of colours.

## SMARTSAFE VALUABLE STORAGE BAGS

SMARTSAFE small property bags are an effective way of increasing patient comfort and security when they need it most. These bags can be used to store many items, including valuables such as jewellery or medication.

An evident tamper seal and barcode are used to track the bag's location, and for the patient's peace of mind, the barcode is attachable to patient notes. The bags also include a wristband that is to be placed around the patient's wrist. Clearly labelled forms further help identify the belongings of each patient. The bags also include a wristband that is to be placed around the patient's wrist.
