65 SERIES BARIATRIC RECLINER

The Ascent XL Bariatric Recliner is ruggedly built like our classic recliners, with added style and elegance. Gently contoured lines enhance its profile while comforting patients up to 500 lbs. Standard swing-arms provide easy cleaning, maintenance and patient transfer. Four-inch, twin wheel casters are corrosion resistant and roll with ease.

Suitable for Oncology, Surgery, Infusion, Dialysis Therapies, Orthopedics, Paediatrics, and more.

Purchase the Ascent XL patient chair through Midmed today for an easily transportable, well-designed recliner that always puts comfort first. Available with manual and power options in a wide range of colours.

SKU: N/A

68 SERIES BARIATRIC RECLINER

Luxe and stylish, the Ascent II recliner puts a new twist on serious medical seating. The curved top-line of the seatback offers additional headroom while the “wing-back” design adds style and customization options for designers. Standard features, like swing-away arms and a removable seat, aid in meeting infection control goals. The Ascent II is optimal for patient rooms, oncology, infusion therapies, dialysis, pre- and post-operation and other treatment needs.

59 SERIES RECLINER

The highly-functional 59 Series medical recliner is a cost-effective alternative when patient transport is not required. It is ideal for use in infusion therapies, patient rooms, and other treatment needs. And with durable three-inch casters that are lower to the ground, it is easily usable for petite patients and pediatrics.

OVERNIGHTER RECLINER

Founded on a strong steel frame, the 526 Overnighter Series patient chair is a hard-working sleeper that provides the greatest possible level of comfort to overnight patients. Mobile and impressively flexible given its size, the 526 has high-quality casters that make transport easy and non-intrusive.

It's open space, all-in-one design helps reduce claustrophobic sensations often caused by constant sitting. The quality foam and fabrics of the 526 Series make for real comfort, as well as a better-looking and longer-lasting product. Maximize patients' comfort by helping them choose between three positions. Years of research and testing have gone into the perfection of the Overnighter Series. It's specially designed to ensure that each has every opportunity to get a good night's sleep, whatever their medical situation.

Available with manual and power options in a wide range of colours.

CLINICAL STOOL 507 AND 509 SERIES

Champion's Caregiver Clinic stools are all-purpose seats to meet your exact needs. All stools offer a pneumatic cylinder for easily adjustable height options along with either a composite or polished aluminum base. Three and a half inch foam padding, a 15-inch seat and sealed seams provide caregivers with comfort and durability. Optional backrests are available on all clinic stools, and are available in a wide range of standard and upgraded vinyls that can be designed to complement any interior.
