## PEDIAPAL WALL DISPLAY

A fun and affordable way to decorate your child's room, or pediatric clinic. Our removable wall decals are made from high quality vinyl that is printed in the USA, so you know the colors will last. Your kid's pediatric clinic is full of love, laughter and interaction. Our wall decal kits can help your clinic say a lot more.

**SKU:** N/A

## SERENEVIEW CURTAIN

Forty years of research shows that viewing nature scenes in the healthcare setting lowers blood pressure, anxiety, and pain medication intake. Recent MRI studies show the brain releases serotonin, the happy hormone, when we view nature scenes.

Wall treatments can be a vinyl wallpaper application or stretched fabric over a Recore® acoustic panel system. Installation is available.

**SKU:** SV.CURTAIN

## DISPOSABLE CURTAINS

Each EcoMed disposable curtain is treated with the 3rd Generation Ultra-Fresh built-in antimicrobial protection.

**SKU:** EN.

## LIQUIMAT STANDARD

Ensures a dry floor and minimises the risk of slipping. The Liquimat Standard is a highly absorbent floor mat for dry floors under the operating table

**SKU:** SM.LMS07500360-623

## BENDABLE IV ARMBOARD

The Bendable ArmBoard is a simple, cost effective, tapeless, means to position and secure the wrist to prevent unwanted movement when using arterial and peripheral (intravenous) lines. The ArmBoard is covered in a soft comfortable material and is fastened to the arm with adjustable hook and loop straps. The ArmBoard can be custom shaped to any position.

It can be used in the Operating Room, Recovery Room, ICU, Patient Care Units, and more.

**SKU:** DA.650

## IV ARMOR

Midmed's IV-ARMOR minimizes downstream occlusions while enabling patient movement. The flexible protective overlay is the ideal way to maximize IV patency while protecting the site from patient tampering. It has several benefits including reducing the introduction of infection associated with IV reinsertion, and reducing downstream occlusion alarms. The IV-ARMOR also reduces risk of catheter kinking in a bend such as a wrist or elbow, and reduces risk of catheter movement in an area of bony prominence, such as back of hand or forearm. IV-ARMOR uses skin-friendly adhesive, and comes in a one size fits most box of 10.

**SKU:** DA.675

## STEPHEN H BARIATRIC TREATMENT CHAIR

The design, providing a high level of comfort for the patient, has been developed to provide a customised solution for the bariatric (high weight) patient care. The chair is able to move patients up to 300 kg. It is a multipurpose chair designed for hospital use during assessment, diagnosis, care and treatment. It is suitable for many different applications and may also be used to transport the patient from one department to another.

The backrest is produced with sufficient stability to carry out CARDIO PULMONARY RESUSCITATION. This medical device, made with stainless materials, represents the “ultimate” solution regarding the elimination of rust, thus significantly reducing the likelihood of bacterial contamination.

**SKU:** GB.SHA.STANDARD

## CAMA GLIDER

The Cama Glider combines a smooth gliding motion with the therapeutic styling of the Cama Series. This makes it easier for the patient to cope with pain and to help the family manage stress.

**SKU:** IOA.108-60

## KANGAROO ROCKER RECLINER

Featuring a recliner that is a rocker in the upright position. The rocking motion automatically stops as the chair starts to recline. The footrest recline position are activated by the lever, push on the arms to reach the fully reclined position.

**SKU:** IOA.523-30

## SUSPEND RECLINER

Featuring a motorized mechanism that can be reclined to any position, including flat and has a vertical lift feature.

### Design Features

1. Continuous upholstery on foot rest (no gaps) for comfort, safety and ease of cleaning
2. Composite foam seat with dynamic suspension system for long term comfort
3. Shielded mechanism for safety
4. Polyester or wood arm caps resistant to hospital cleaners
5. Featuring a dual motorized recliner with multiple reclined positions including flat and lift to stand.

**SKU:** IOA.628S-25M

## SUSPEND RECLINER SPECTRUM

Having ten years experience of refining exam chairs, the spectrum is the latest and greatest addition to our exam chair collection. From manual hydraulic to motorized vertical lift, we have options that meet the needs of each facility.

IOA is committed to providing solutions that improve healthcare spaces. We listen to our customers in order to design, develop and engineer innovations that meet unfulfilled needs while inspiring great Design.

**SKU:** IOA.628S-29M
