

Ameda® Pearl™ Hospital Grade Breast Pump

Powerful Performance in the Hospital and Home.

Combines powerful performance inside with a protective shell on the outside. Pearl is designed to build milk supply amongst pump dependent, late pre-term and term moms. Pearl's modern design combines the durability needed for the multi-user/hospital environment with lifestyle features moms expect. Pearl will serve the needs of hospitals and is the ideal multi-user product for milk banks and rental stations. Pearl is perfectly positioned to support continuity of care in the Hospital and Home.

Ameda Pearl – Proven Hospital Grade Pumping

Clinical study in process.

- **Proven:** Over 90% of moms surveyed were highly satisfied with Pearl
- **Powerful:** Hospital Grade / Multi-User Performance with two modes of pumping
- **Portable:** Lightweight with rechargeable battery and integrated handle
- **Smart:** Vacusense™ Technology ensures consistent vacuum performance in varying altitudes or changing atmospheric conditions
- **Comfortable:** Fully customizable expression mode with 72 possible combinations of speed and suction settings
- **Durable:** Protective housing designed for easy cleaning between users; 3-year limited warranty
- **Whisper Quiet:** Discreet pumping anywhere
- **Safe:** Compatible with Ameda's Universal HygieniKit™, the only FDA-cleared closed system pump kit proven to protect against contaminants like bacteria, viruses and mold growth

Ameda Pearl – Modern Design

Hospital Grade/Multi-User Proven Durable Performance

Ameda Pearl Technical Specifications

Suction Range	Stimulation: 50 - 150mmHg; 6 user-selectable settings Expression: 30 - 250mmHg; 12 user-selectable settings
Cycles per Minute (CPM)	Stimulation: 80 - 120 CPM; 3 preprogrammed settings Expression: 30 - 48 CPM; 6 user-selectable settings
Power Supply	Medical AC Adapter – Output: 15VDC, 2A, 30W Input: 100-240VAC, 50/60Hz, 1A 2600mAh Lithium-ion rechargeable battery; 3 hours per charge
Unit Weight	1.6kg
Unit Dimensions	20 x 18 x 15cm (L x W x H)
Preprogrammed pumping	Mode auto switches from stimulation to expression at 2 mins Auto Power off at 60 mins Vacusense Technology
Warranty	3-year limited
